A. NFS 1852.242-71 Travel Outside of the United States is added as follows to Section H:

H.16 NFS 1852.242-71 TRAVEL OUTSIDE OF THE UNITED STATES (DECEMBER 1988)

(a) The Contracting Officer must authorize in advance and in writing travel to locations outside of the United States by Contractor employees that is to be charged as a cost to this contract. This approval may be granted when the travel is necessary to the efforts required under the contract and it is otherwise in the best interest of NASA.

(b) The Contractor shall submit requests to the Contracting Officer at least 30 days in advance of the start of the travel.

(c) The Contractor shall submit a travel report at the conclusion of the travel. The Contracting Officer's approval of the travel will specify the required contents and distribution of the travel report.

B. FAR 52.227-11 (JUNE 1997) PATENT RIGHTS – RETENTION BY THE CONTRACTOR (SHORT FORM) is modified by NFS 1852.227-11 Patent Rights--Retention by the Contractor as follows:

FAR 52.227-11 is modified by adding the following subparagraphs (5) to paragraph (f) of the basic clause. In addition, use the following subparagraph (2) in lieu of subparagraph (g)(2) of the basic clause:

(5) The contractor shall provide the contracting officer the following:

(i) A listing every 12 months (or such longer period as the contracting officer may specify) from the date of the contract, of all subject inventions required to be disclosed during the period.

(ii) A final report prior to closeout of the contract listing all subject inventions or certifying that there were none.

(iii) Upon request, the filing date, serial number and title, a copy of the patent application, and patent number and issue date for any subject invention in any country in which the contractor has applied for patents.

(iv) An irrevocable power to inspect and make copies of the patent application file, by the Government, when a Federal Government employee is a co-inventor.

(End of addition)

(2) The contractor shall include the clause in the NASA FAR Supplement at 1852.227-70, New Technology, suitably modified to identify the parties, in all subcontracts, regardless of tier, for experimental, developmental, research, design, or engineering work to be performed by other than a small business firm or nonprofit organization.

The required NFS clause is incorporated as follows in Section H, as paragraph H.16, *Export Licenses*:

"H.16 EXPORT LICENSES (NFS 1852.225-70)(FEB 2000)

- (a) The Contractor shall comply with all U.S. export control laws and regulations, including the International Traffic in Arms Regulations (ITAR), 22 CFR Parts 120 through 130, and the Export Administration Regulations (EAR), 15 CFR Parts 730 through 799, in the performance of this contract. In the absence of available license exemptions/exceptions, the Contractor shall be responsible for obtaining the appropriate licenses or other approvals, if required, for exports of hardware, technical data, and software, or for the provision of technical assistance.
- (b) The Contractor shall be responsible for obtaining export licenses, if required, before utilizing foreign persons in the performance of this contract, including instances where the work is to be performed on-site at Ames Research Center or any other NASA center, where the foreign person will have access to export-controlled technical data or software.
- (c) The Contractor shall be responsible for all regulatory record keeping requirements associated with the use of licenses and license exemptions/exception.
- (d) The Contractor shall be responsible for ensuring that the provisions of this clause apply to its subcontractors.

H.16 Non-Personal Services

(a) As stated in the Office of Federal Procurement Policy Letter 92-1, dated September 23, 1992, Inherently Governmental Functions, no personal services shall be performed under this contract. No Contractor employee will be directly supervised by the Government. All individual employee assignments, and daily work direction, shall be given by the applicable employee supervisor. If the Contractor believes any Government action or communication has been given that would create a personal services relationship between the Government and any Contractor employee, the Contractor shall promptly notify the Contracting Officer of this communication or action.

(b) The Contractor shall not perform any inherently governmental actions under this contract. No Contractor employee shall hold him or herself out to be a Government employee, agent, or representative. No Contractor employee shall state orally or in writing at any time that he or she is acting on behalf of the Government. In all communications with third parties in connection with this contract, Contractor employees shall identify themselves as Contractor employees and specify the name of the company for which they work. In all communications with other Government contractors in connection with this contract, the Contractor employee shall state that they have no authority to in any way change the contract and that if the other contractor believes this communication to be a direction to change their contract, they should notify the Contracting Officer for that contract and not carry out the direction until a clarification has been issued by the Contracting Officer.

(c) The Contractor shall insure that all of its employees working on this contract are informed of the substance of this clause. Nothing in this clause shall limit the Government's rights in any way under any other provision of the contract, including those related to the Government's right to inspect and accept the services to be performed under this contract. The substance of this clause shall be included in all subcontracts at any tier.

Continuation of Block 14:

1. In accordance with NFS 1852.223-70, Safety and Health, and the Ames Health and Safety Manual (AHB 1700.1), the contractor is required to report accident and lost time injuries. Ames Research Center (ARC) clause 52.223-92, Contractor Monthly Accident Report, requires the contractor to report the accident and lost time injuries into the ARC Contractor Monthly Accident Report (CMAR) web-based system. Therefore, ARC clause 52.223-92 is incorporated as follows in Section H, as paragraph H.20:

"H.16 CONTRACTOR MONTHLY ACCIDENT REPORT (ARC 52.223-92)
(MAR 2001)

In accordance with the Safety and Health Clause - NFS 18.52.223-70, and the Ames Health and Safety Manual - AHB 1700.1, the Contractor shall report accident and lost time injuries. Ames Research Center (ARC) collects this data in the Contractor Monthly Accident Reporting (CMAR) web-based system, through the submission of a monthly ARC 15 CMAR form which is located at <http://cmar.arc.nasa.gov/>. The CMAR system will assist the user via built in hyperlinks, to log into the system, complete the ARC 15 Form and other administrative activities.

The contractor shall ensure that accurate and complete data entry of the ARC 15 information is input monthly to the CMAR web-based system for its firm as well as all applicable subcontractors no later than the 10th day of the subsequent month. The contractor shall be responsible for input into the CMAR system of all changes (additions and/or deletions) for its applicable subcontractors.

(End of Clause)"

2. As a result of incorporation of the above clause, Section J, paragraph J.1, Item (a), Attachment A-3, Contract Data Requirements List, line item 4, Monthly Accident Report (ARC Form 15) is updated to reflect that data entry of the ARC 15 information must be inputted monthly to the CMAR web-based system by the contractor as well as all applicable subcontractors no later than the 10th day of the subsequent month.

3. All other contract terms and conditions remain the same.
